**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and support broadband competition. I want more competition to prevent price hikes that will increase the cost of communication systems -- such as telephone services -- or broadband which is critical to my communication.

It's not just for myself but for other fellow citizens on whom we all depend for an informed democracy.
